Sir

Adverting to Government order No.
6415-7 / L B 366-09-4 dated 22nd February 1913, sanctioning the proposal of the District Board of Hassan to levy market fees at 12 Sankeys of the District, I have the honour to state that the ryots of Dudda Devihalli and other villages in the Hassan Taluk petitioned this office on 25th July 1913 representing much hardship to them and others attending the week Sankey at Dudda in Hassan Taluk, as they have to pay market fees on animals, carts etc in addition to paying a toll of 4 annas at the Toll

gate

Tollgates established on the Hassan–Arsikere road and praying that the levy of Santhé fees may be ordered to be discontinued.

2. The Amildar of Hassan Taluk who was called upon to submit a report in the matter, reported that when he visited the Dudda Santhé on 13th July 1913, no complaints were made to him in this respect, and that the complaint having been received within so short a period as one month from the date of levy of market fees viz 1st July 1913, the petition was untenable.

3 When this subject was placed before the District Board at their meeting held on 4th August 1913, the Board after due discussion of the real in-convenience caused to the people attending the weekly Santhé at Dudda, passed a resolution to the effect that, with a view to obviate the hard-ship represented, Government should be moved to sanction exemption from payment of the Dudda Santhé fees on carts and animals to those who have paid the Tollgate fee within a period of 24 hours prior to admission to the Santhé and on production of such Tollgate receipt.

A copy of the resolution is herewith submitted

4 The inhabitants of Dudda Kheli, Hassan Taluk, 3 colour petitions praying for the abolition of market fees levied at Shandis, were forwarded for disposal with your official Memorandum No. 3199—L.B 73-13-2 dated 1st September 1913, have been given an intermediate endorsement ~~which was subsequently passed on to the District Board~~ ~~which was passed on to the District Board~~ ~~of Hassan for disposal~~ ~~for disposal~~ ~~on the subject~~.

Sir,

With reference to your letter No. 6120/L.B.135-13-2 dated 13th. December 1913 enquiring why traders at Dudda santhé should be shown special exemption from paying santhé fees on carts and animals on which a toll gate fee has already been levied, especially as the toll gates and santhés wherein fees are levied appear to have been scattered all over the Hassan District etc., I have the honour to state that unlike other toll gates in the District, there are three toll gates on Hassan-Arsikere road at the follow-ing places viz., one at the junction of Arsikere-Chenna-rayapatna road (near Arsikere) and the other two with-in half a mile on either side of the Dudda santhe limits; so that carts and animals passing through these latter two toll gates from Gandasi and Tiptur on one side, and from Hassan on the other side will have to pay toll gate fees in addition to santhé fees whenever they enter the Dudda santhé, which is undoubtedly a hardship to the public.

2. When this subject was placed before the District Board at their meeting held on 21st. February 1914 a resolution was passed to the effect that the proximity to the Dudda santhé of these two toll gates on the Hassan-Arsikere road, may in reply to the Secretary's letter be explained as the

sole reason for this exemption. The acceptance of this new principle of exemption cannot lead to any other valid applications, since there is no other santhe in this District (at which fees are levied) similarly situated.

3. A copy of the resolution is herewith submitted. Under the above circumstances I request that you will be so good as to obtain sanction of Government to the exemption of Dudda santhe fees on carts and animals subject to the conditions mentioned in para 5 of this office letter No. 150 dated 18th. October 1913.
